The Garden Club of Charleston, Inc.
91st Springtime in Charleston House & Garden Tours
March 19-20, 2027

Thank you for your consideration to sponsor The Garden Club of Charleston's (TGCC) 91st *Springtime in Charleston* House & Garden Tours! Your sponsorship allows TGCC to maintain some of the city's most-valued historic and civic gardens: Philip Simmons Memorial Garden, Legare-Waring House Garden at Charles Towne Landing, Joseph Manigault Garden, Heyward-Washington Garden, Gateway Walk, Laura Bragg Boardroom Courtyard at The Charleston Museum, Ronald McDonald House, South Carolina Historical Society, and MUSC Healing Garden.

Additionally, your sponsorship will contribute to TGCC's scholarships: The Trident Technical Award, The Garden Club of South Carolina East Lowcountry District Scholarships, and several TGCC-endowed scholarships. Sponsorships fund TGCC's Junior Garden Club, which provides young gardeners an opportunity to learn the basics of gardening, conservation, and environmental education, and funds TGCC sponsorships for students each year to Camp Wildwood, an annual summer opportunity for youth to discover nature.

The annual tour weekend is the main fundraiser for TGCC, supporting educational, garden-related opportunities for membership outside the regular monthly meetings, as well as special projects for the entire community: Arbor Day tree plantings, Charleston-area flower shows, National Garden Club Week, Blue Star Marker projects, respite care projects, and other special community projects, including providing beautiful floral seasonal decorations throughout The Charleston Museum's Joseph Manigault House during the month of December.

We invite you to join TGCC as we anticipate a glorious weekend of beautiful flowers, gardens, homes, music and art. Thank you for considering this sponsorship opportunity as we work together with our community partners to produce the 91st TGCC House and Garden Tours!

Please contact Joni Hazelton (joanhazelton@aol.com) with any inquiries you may have.
